

13 Colonies **BIG** Map Project

Due Date: Friday September 20, 2013

OBJs:

I can label the New England, Middle, and Southern Colonies.

I can explain the how the geographical differences of the three regions led to different economies.

I can name the important founders and discuss why each founded their colony.

Materials:

-Colored Pencils

-Large 13 Colonies Map (Provided)

-Creativity

3 Column Notes: (On the back of the map)

- 1) Each colonial region should have a column of its own.
- 2) Under the column for each region, you should include the following:
 - a. The name of the colonies within that region
 - b. The climate and geography of that region
 - c. The economy and major industries of that region
 - d. The important founders, the colonies they founded and why

Large 13 Colonies Map:

- 1) Label the 13 Colonies
- 2) Outline/Color the New England Colonies in RED
- 3) Outline/Color the Middle Colonies in BLUE
- 4) Outline/Color the Southern Colonies in GREEN
- 5) Label the Appalachian Mountains
- 6) Label the Atlantic Ocean
- 7) Include a key and label the map according to the requirements below:
 - Rocky Soil
 - Fertile Soil
 - Mountains
 - Founded for Political reasons
 - Founded for Economic reasons
 - Founded for Religious Reasons
 - Lumber Industry
 - Fishing
 - Shipbuilding
